

Special Class Assembly- EYP 3-B

'The Dragon Who Couldn't Breathe Fire'- A Report

On 24th September 2024, the students of EYP3-B showcased a remarkable special class assembly titled, "The Dragon Who Couldn't Breathe Fire". This presentation was thoughtfully aligned with the school's annual theme, 'Phoenix - Rising from.....Rising to....,' which seeks to motivate students to face difficulties head-on, build resilience, and emerge stronger, just like the legendary phoenix.

The assembly began with a peaceful morning prayer, followed by the 'Thought for the Day', which encouraged perseverance and inner strength. The students also shared the News Highlights and the Weather Forecast, preparing everyone for the day ahead.

The centerpiece of the assembly was the compelling dramatization of the story "The Dragon Who Couldn't Breathe Fire". The young performers skillfully depicted the journey of Drake, a dragon who struggled to breathe fire but discovered that qualities such as courage, compassion, and generosity were what truly defined a hero. This narrative beautifully conveyed the assembly's key message: like the phoenix, one can overcome obstacles and find their true power through inner strength and determination.

After the skit, an invigorating dance performance followed which lifted the energy in the room, representing the joy and freedom that comes from conquering life's challenges.

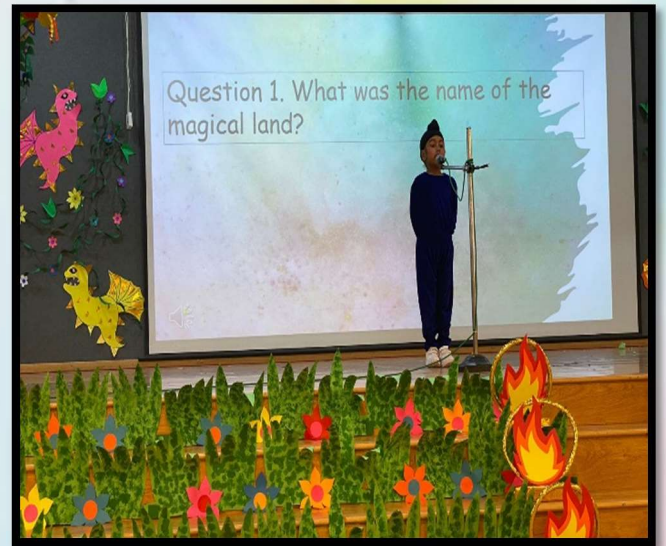

The assembly concluded with a soulful rendering of the National Anthem, which instilled a sense of unity and patriotism in all present.

This assembly allowed students to fully grasp the essence of our yearly theme, teaching them that perseverance, empathy, and bravery are essential in overcoming challenges and rising stronger, just like Drake and the phoenix.
