

Special Class Assembly – EYP3- C

'The Rainbow' - A Report

The special class assembly of EYP 3-C was conducted on Friday, 13th of September 2024. The children presented an assembly titled, 'The Story of The Rainbow' with great verve and élan. The assembly imparted some important moral lessons for children. The message it conveyed was that one should always work in harmony and that everyone has their own unique talents.

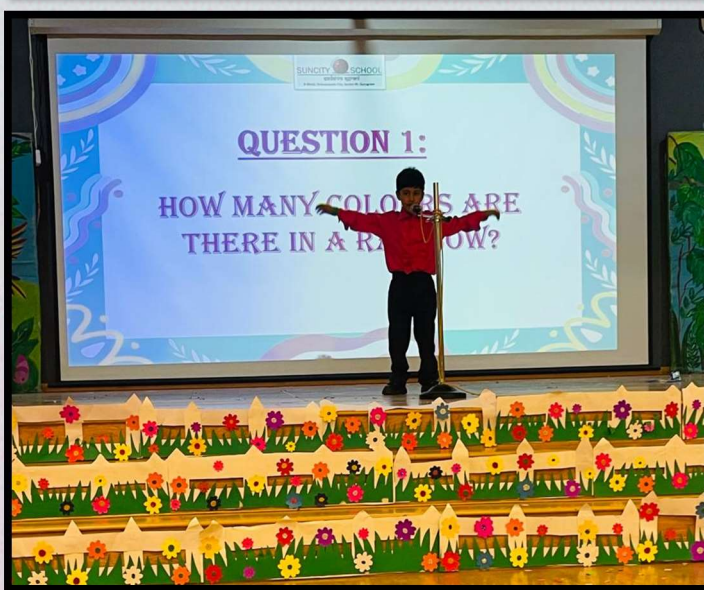

We commenced the assembly by warmly welcoming the parents and the students, which set the tone for further proceedings. This was followed by the morning prayer of all four major religions of the country.

The EYP 3-C assembly, was a well-executed event that showcased the students' creativity, teamwork, and public speaking skills. The children delivered entertaining and insightful performances, leaving the audience with an important lesson about the power of unity and strength. Students showcased their talents in drama, dance and music. The assembly concluded with a question-and-answer round, followed by the National Anthem.

The event was a great success and a testament to the students' hard work and dedication.
