

Special Class Assembly - EYP3- D

'Bell the Cat'- A Report

The students EYP 3-D presented their special assembly on Friday, 20th September 2024 based on the classic fable, 'Bell the Cat'. The assembly was designed to engage students in a fun and interactive manner, while also emphasizing the importance of teamwork, courage, and problem-solving.

The central character of the story were the mice who were constantly troubled by a sneaky cat. Tired of living in fear they came up with the idea of belling the cat while she was asleep. The performance was divided into three acts, each showcasing the progression of the mice's plan. The enactment was both humorous and insightful, with the students creatively portraying their characters, from the mischievous cat, to the resourceful and determined mice.

The assembly concluded with a lively dance celebration by the mice, symbolizing their triumph over the cat. The moral of the story was then shared: "It is easy to come up with ideas, but it requires bravery and teamwork to put them into action".

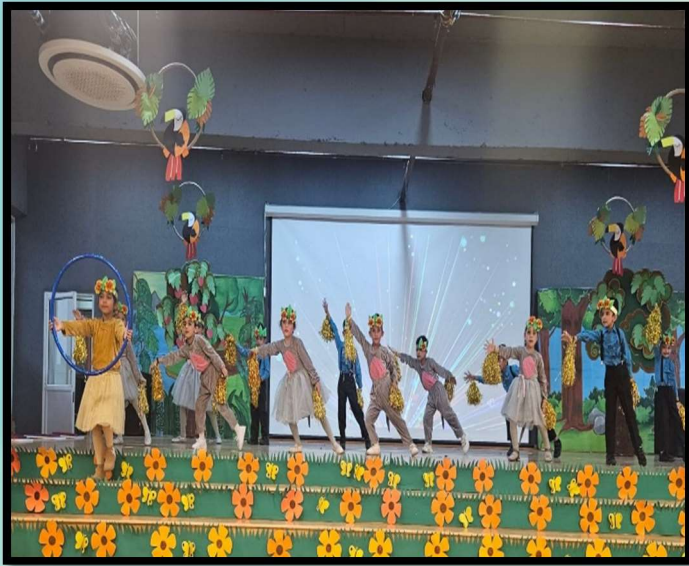

To further engage the audience, the students conducted a question-and-answer round. Questions were directed to both the children and the parents, sparking thoughtful responses and meaningful dialogue about how to face challenges in daily life.

The assembly concluded with the National Anthem and a few words of appreciation from the Head of School, Ms. Nandita Mathur, who praised the students for their efforts and performance. Her kind words motivated the students, leaving a lasting impression on everyone present.

The EYP 3-D assembly, based on a well-known children's story, Bell the Cat, was a well-executed event that showcased the students' creativity, teamwork, and public speaking skills. The children delivered an entertaining and insightful performance, leaving the audience with an important lesson about the power of unity and courage. The event was a great success and a testament to the students' hard work and dedication.

Glimpses of the Assembly
