SESSION 2021-22

# GRADE- KINDERGARTEN

THE CAPACITY TO LEARN IS A GIFT; THE ABILITY TO LEARN IS A SKILL; THE WILLINGNESS TO LEARN IS A CHOICE".

*A Holiday Homework is an attempt to enhance children's imagination. Doing it in the right spirit with enthusiasm will make it a great learning experience and will make your child an independent, inquisitive learner who will enjoy the learning process.*

Dear Parents,

*We are ready to welcome the Summer Vacation after a year of online schooling. The year gone by has taught us valuable lessons and gave us the ability to spring back from all challenges that came our way. I must thank you for supporting us and making the online teaching learning process, a successful joint venture between us. This break is a great opportunity to cheer up our souls and refresh our minds. This is the time to bond with our children and give them credit for quickly adopting to the new normal conditions and adjusting to it without any apprehensions or doubts. They attended classes, did activities and appeared for their exams with the same gusto and enthusiasm as they would do in a functional school. Kudos to our students.*

*Here are some tips for you, parents, to make the most of this time where there are no deadlines to meet, no assignment to be submitted or a test to study for. This is your "US" time, enjoy it and make beautiful memories.*

- Avoid negativity in all forms at home. Whether from News on TV or from the neighbourhood. Children get affected and sometimes do not express themselves. Discourage any talks or discussions that can have a negative impact on our children's impressionable mind.*
- Have at least two meals together with your children.*
- Explain about the hard work our farmers put in so that we can have our meals on the table and ask them not to waste their food.*
- Let them wash their own plate after every meal. Children learn dignity of labour from such activities.*
- Encourage them to help you with preparing meals. Let them make their own vegetable and fruit salad.*
- Encourage them to learn 5 new words in English, Hindi and list them in a note book.*
- Nurture your child's interest – be it art, music, dance or anything else. Let him/her pursue a hobby of his /her own choice.*
- Please train your child to become independent in his daily chores.*
- Let him/her keep the house clean-clear the toys, books or craft after he/she has finished playing with it. Let them lend you a hand with basic household chores like dusting and mopping, putting out clothes to dry, folding them etc.*
- Be polite while speaking and talk softly.*
- Inculcate proper toilet habits.*
- Remember to converse in English with your child.*
- Gently encourage your child to make a kitchen garden by planting seeds. Knowledge about plants and trees are an integral part of your child's growing up.*
- Share stories about your childhood and your family history.*
- Assign a permanent workplace and a work-time. This brings in discipline in your child's life.*
- Make sure you are spending quality time with your wards amidst this tensed environment.*

*And now a word for my students:*

*Dear Students,*

*With summer holidays around the corner, my heart swells up with an array of emotions. You all have worked hard in the past few months and it is time to have a refreshing vacation.*

*To maintain the educational continuum and to keep in view the rejuvenation you need, an enriching homework for the holidays is designed to keep you constructively busy and put boredom at bay. Continue to read e-newspaper every day and don't forget to complete your notebooks and assignment of the syllabus covered in online classes during April and May.*

*Don your thinking cap, wear your magic mantle to put forth your creative side. Have fun and frolic, build up your learning activities as a treasure.*

*Looking forward to seeing you soon, online.*

*Pages to be completed.*

*Numeracy Skill: - Pages- 26, 41, 42, 43, 69*

*Literacy skill :- Pages- 13, 14, 15, 16, 17, 18, 19, 20 , 21, 22, 23*

*General Awareness:-Pages- 7, 8, 12, 13, 24, 25, 26*

*Happy summer vacations! Enjoy, take rest and be back with full enthusiasm.*

**Happy Summer Vacation**

**holidays**

# ENGLISH

## Activity 1

### Name, Place, Animal, Thing

- This is an interesting vocabulary building activity game.

### Activity

- A mobile with a letter on one side and four columns with the heading name, place, animal, thing on the other side. By doing this activity children will be able to retain the words and also enhance their vocabulary.
- Things required
  - A4 pastel sheets.
  - Pictures of places and things.
  - Marker

### Directions

- Mobiles to be made for letters (c, a, d, e, l, g, q, o).
- Take one pastel sheet. On one side write the letter in lower cursive
- And then divide the other side of the sheet into four equal parts each part should have the heading of Name, Place, Animal, and Thing.
- On the second side where the page is divided into four equal parts draw or paste pictures of words starting with the letter (on the other side).

Side A

Side B

Refer to above picture for more clarity.

## Activity 2

### Sight Words

- Sight words help in promoting reading and comprehension. Once children learn them in Kindergarten, they get a lot of confidence to build on these words in later classes.

### Activity

- Sight Word train is a fun activity and a great tool to learn sight words.

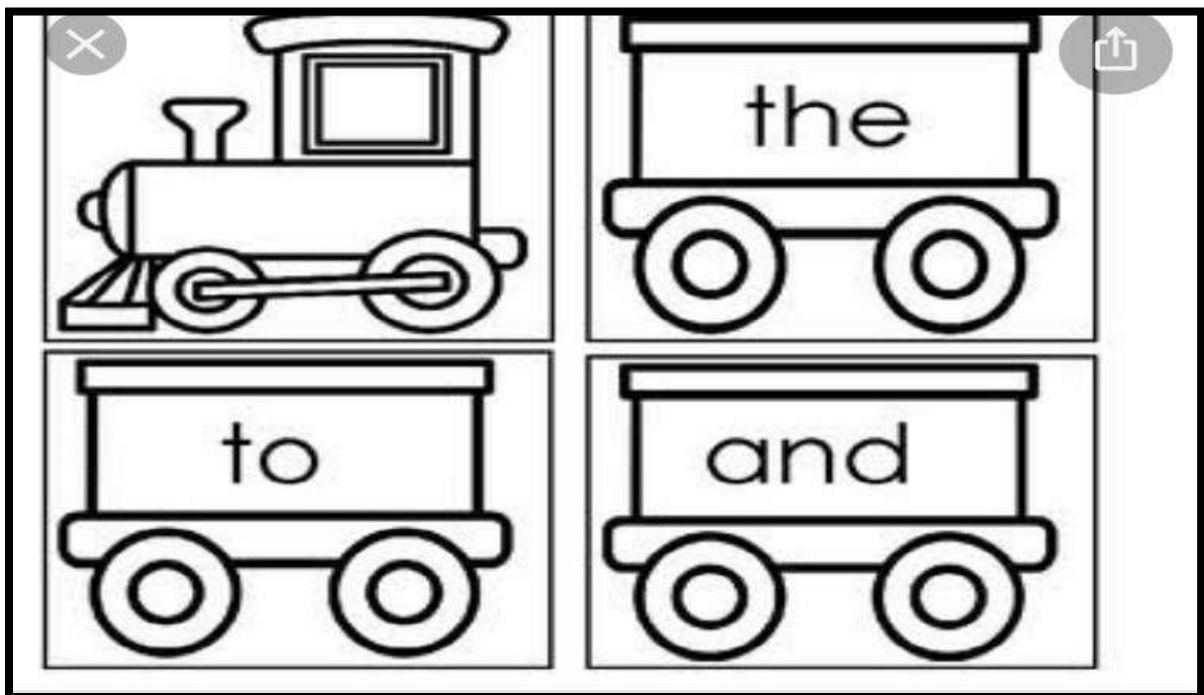

### Things Required:

- Cartridge Sheet/ Pastel Sheet
- Markers
- Glue
- Sight Words ( I, Am, A, The, Boy, Girl)

### Direction

- Make a cut out of an engine.( Refer to given pictures)
- Make multiple cutouts of bogie. ( Refer to given pictures)
- Write one sight word from the list on each bogie.
- Connect engine with bogies and make your train.

You can place this train on a table or big card board and keep adding new sight words.

## Activity 3

### Creating Story Book Cover Page

This activity is a holistic activity where kids can enhance their imagination and creativity.

#### Things required:

- A3 or A4 size paper
- Pencil and eraser
- Crayon or water color
- Coloring brushes

#### Directions:

- Take an A3 or A4 size paper and draw characters from your favorite story.
- Write down the story name on top of the page.
- Now, color the picture.

**Look at the pictures for reference.**

# EVS

## Activity 1

### Make a Chart on Good Habits

Students get to work on their fine motor skills with this activity.

#### Things required:

- Chart paper (any color)
- Pencils, erasers
- Cut out of good habits
- Scissors
- Glue
- Crayons

#### Directions:

- Draw / take a print out of good habits.
- Take a chart paper and paste all the cut-outs of good habits (as shown in the picture) and also label the pictures.

## Activity 2

### Scrap Book making on myself

#### Things required:

- Scrap book
- Pencils, eraser
- Photos
- Scissors
- Glue
- Sketch pens / crayons
- Match sticks
- Dry leaves and dry petals

#### Directions:

- Take a scrap book.
- On the first page write your name and paste your photo.
- On the second page you can paste your family photo and mention their relationship with you.
- On the third page you can draw your favorite food.
- On the fourth page you can draw your favorite toy.
- On the fifth page paste the picture of your favorite activity/activities.
- On the sixth page draw a circle and fill it with your favorite color.
- On the seventh page paste the picture of your favorite pet.
- On the eighth page make a house using match sticks.
- On the ninth page make a bouquet for your grandparents using dry leaves and dry petals.
- On the last page draw your favorite cartoon character.

## Activity 3

### Sensorial Activity (Salt Painting)

Sensory activities facilitate exploration and naturally encourage children to use scientific process while they play, create, investigate and explore. This activity will cater to skin sensation. (Touch and Feel).

#### Things required:

- Thick A4 sheet (any light color)
- Pencils, erasers
- Table salt
- Liquid water colors
- Paint brushes / droppers
- Squeeze bottle of glue

#### Directions:

- Draw any flower on the sheet.
- Put glue on the outline of the flower.
- Put table salt on it.
- Dip your paint brush into liquid water color then gently paint the salt.
- Let it dry thoroughly.

## Activity 4

### Father's Day Activity

“Dads are most ordinary men turned by love into heroes, adventurous, story tellers and singers of songs” – Pam Brown

#### Things required:

- A4 sheet (any light color) for base
- A4 sheet (light green, black and pink)
- Pencils, erasers
- Googly eyes
- Scissors
- Glue
- Ice cream stick
- Sketch pens / crayons

#### Directions:

- Make a Father's Day card as shown in the picture.

Do not forget to wish your father a Happy Father's Day on 20<sup>th</sup> June 2021.

# NUMERACY

## Activity 1

### Shapes Puzzle

- Find 5 things which are in the shape of a circle, triangle and square.

#### Learning Objectives:

The shape puzzle activity using cut out of carton, colors and marker is a great introduction to basic mathematics and Stem type activities. It is amazing to find out how many shapes you can find in your own environment. Children are always looking at shapes and once you start pointing them out, children become fascinated by them. This simple shape activity is a great example of where education and fun are mashed together!

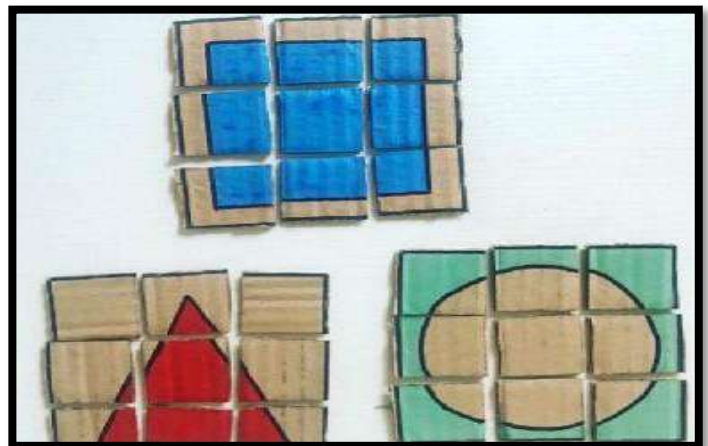

#### Things required:

- Carton cut outs
- Color
- Color brushes
- Bold Marker

**Directions:** Make a Circle, Square and Triangle by following the given instruction.

- Make Circle, Square, and Triangle on different carton cutouts.
- Color these shape, each with a different color.
- Cut each carton cut outs into nine small square pieces.
- Draw a border using a black marker for all 27 squares.
- Now join the pieces together to make different shapes.

Talk to your child about different shapes. Everything we see in the World around us has a **shape**. It can be a triangle, square or circle.

## Activity 2

Find things which moves fast and which moves slow around you.

### Learning objectives:

Using a hands-on approach to teach concepts such as fast and slow helps make the ideas concrete and can reinforce the learning process for children.

Activities that teach young children about fast and slow can also connect content areas such as science, language and even the creative arts as the children learn about this pair of opposites.

### Things required:

- A3 / A4 size sheet
- Pictures of different things that move slow and fast
- Glue

### Direction:

- Divide the A3 or A4 sheet into two parts, one part showing fast moving things and the other part slow moving thing.
- Next, mark one side slow and another side fast.

## Activity 3

### Know yourself through numbers

Number game is always an interesting game for kids, where they can learn many things through numbers.

#### Activity:

Know yourself through numbers is a very interesting activity, where children can also learn more about themselves.

#### Things required:

- Any color pastel sheet
- A3 size sheet cut into 10 equal shapes.
- Glue
- Different color marker
- One photograph of child
- Different cartoon cut-outs

#### Direction:

- On the pastel sheet write the heading in the center “Know me through numbers”.
- Paste one cartoon cut outs on each off the 10 shapes .On each shape under the carton give the following information.
  1. Number of letter in my name.
  2. My age
  3. My date if birth
  4. My height
  5. My weight
  6. Number of Family member
  7. Number of siblings
  8. Number of teeth I have lost so far
  9. Number of flower pots , I have at home
  - 10.Number of story books , I have at home

Number of letters  
in my NAME

\_\_\_\_\_

I am \_\_\_\_\_ years old

+	=
+	=
+	=

My Height

I was born on

\_\_\_\_\_

My Weight

I have \_\_\_\_\_  
pets.

I have lost  
teeth so far.

# ART INTEGRATED

## ACTIVITY 1

### Follow the Puzzle

#### Subject based on:-Maths

For the students to recognize the shape and make different animal or objects with them.

#### Activity:-

For the students to count and cut the shape and paste them as shown in picture.

#### Things required:-

- colored sheet,
- A4 size sheet (white),
- scissor,
- glue

#### Direction:

- Take a colored sheet and cut it into different shapes
- Now assemble the pieces into the shape of a house as shown below.

## ACTIVITY 2

### Bubble Painting

#### Subject based on:-Science

Kids will have a blast while doing this bubble painting art activity.

#### Activity:-

To be creative and notice the different impressions made by the bubbles on the sheet

#### Things required:-

- soap
- water
- food coloring
- straw
- container
- paper

#### Direction:

- Make a soap solution using dish washing liquid and water, add color in it.
- After making the solution put a straw in the solution and blow air in it, to form bubbles.
- After you observe bubbles take the straw out and put the sheet on the bubbles and you will observe beautiful impressions made on the sheet.

## ACTIVITY 3

### Culture and diversity of Telangana

#### Subject based on: - General awareness

#### Activity:-

To make a collage related to the state of Telangana and to explore their culture, food, tourist attractions and traditional dresses.

#### Things required:-

- A4/A3 sheet,
- printed pictures,
- glue

#### Direction:

- Select pictures on the given topic and print them.
- Paste them on a sheet

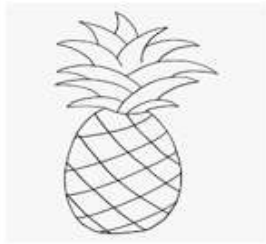

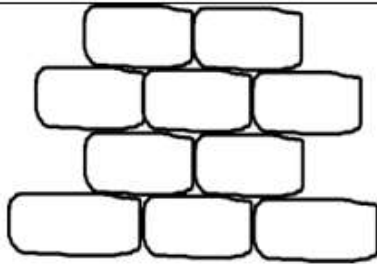

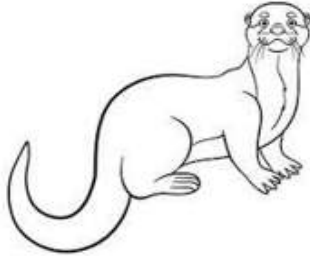

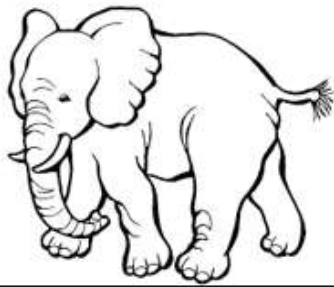

# हिंदी

1. अ से औ तक स्वर का लिखित अभ्यास हिंदी की कार्यपुस्तिका में 5 बार करें |
2. ग्रीष्मकालीन ऋतु के पाँच – पाँच फलों व सब्जियों के नाम याद करें व किसी एक A3 चार्ट पेपर पर फलों व सब्जियों के चित्रों को चिपकाकर या बनाकर एक पिकचर कोलार्ज बनाएँ |

3. हिंदी की कोई एक कहानी याद करें, ग्रीष्मकालीन अवकाश के बाद कक्षा में गतिविधि द्वारा सुनी जाएगी | गतिविधि के लिए रंगमंच सामग्री (प्रॉप) का प्रयोग अवश्य करें |
4. नीचे दी गई कार्यपत्रिका को पूरा करो व चित्रों में रंग भरो |

नीचे दिए गए चित्रों को पहचान कर सही अक्षर लिखिए व चित्रों में रंग भरिए:

		
<p>_____</p>	<p>_____</p>	<p>_____</p>
		
<p>_____</p>	<p>_____</p>	<p>_____</p>
		
<p>_____</p>	<p>_____</p>	<p>_____</p>
		
<p>_____</p>
